

A MODERN HOME REQUIRES A MODERN FIREPLACE

which can entirely change the atmosphere of any room.

A carelessly-chosen, out-of-date, or inefficient hearth not only results in a comfortless room, but offends your aesthetic taste. The modern fireplace at once forms the keynote of any decorative scheme, while giving the maximum of comfort with the minimum consumption of fuel.

The variety of design and colouring, and the wide range of style and period, displayed in our Showrooms will make your choice an easy one. We shall be delighted at any time to give you the inclusive cost of a new installation.

For Rates and Conditions of Night and Daily Letter Telegrams see P.O. Guide.

RADIOTELEGRAMS.

Private Radiotelegrams are accepted at any Telegraph Office for transmission to ships equipped with wireless telegraph apparatus through the undermentioned coast stations in the United Kingdom :—Fish Guard, Land's End, Malin Head, Cullercoats, Valentia and Seaforth, Niton, North Foreland, Portpatrick, Wick and Humber.

The names of most of the ships which can be reached through the above-named British Coast Stations (with the approximate times at which communication can be established) are given in the P.O. Guide. Radiotelegrams are accepted for ships not shown in the tables on the sender's assurance that the ship is equipped with wireless apparatus.

CHARGES.—The usual charge for long distance radiotelegrams sent through a British Coast Station to an ocean liner is 11d. and 1/6 a word. Lower rates of charge applying to vessels making short voyages are shown in the P.O. Guide.

TELEPHONES.

TELEPHONE CHARGES.—A fee of 1d is charged to telephone subscribers for each call to an Exchange within a radius of 5 miles and 2d for each call to an Exchange within a radius of $7\frac{1}{2}$ miles of the originating Exchange.

* This charge covers 6 minutes' conversation.

In addition to the above fees a special charge of 1s per message is made on calls between Great Britain and Ireland between the hours of 7 a.m. and 2 p.m.; 9d between 2 p.m. and 7 p.m.; and 6d between 7 p.m. and 7 a.m. in respect of each 3 minutes.

The Call Office fee of 2d is added to the above fees when a call is made from a Call Office. The Call Office fee is payable in respect of each 3 minutes' conversation.

The fee for the use of a Call Office, including communication with any Exchange within a radius of 5 miles is 2d for each 3 minutes or less during the day and for each 6 minutes at night (7 p.m. to 7 a.m.). The charge for the call to an Exchange between 5 and $7\frac{1}{2}$ miles distant is 4d for a 3 minutes' conversation during the day or 6 minutes at night.

TRUNK LINES.—The Telephone Trunk Lines which connect the various Telephone Exchange areas throughout the Kingdom can be used by callers at Post Offices which are connected with the Trunk Telephone system as well as by subscribers and callers using Telephone Exchanges. The names of places at which Trunk Telephone communication is possible are indicated in the P.O. Guide.

The unit period of conversation is three minutes from the time when the caller or subscriber has been informed that the connection is completed, but any caller, by prepaying a double fee, may secure either the uninterrupted use of a Trunk line for six minutes or the option of extending a three minutes' conversation to six minutes or longer on demand at the end of the first period.

Where application has been made for the use of a Trunk line for a period of six minutes, no part of the fee will be refunded to a caller because the line is in fact used for a less period; but when only the option of extending a call to six minutes has been asked for, and the call is completed in three minutes, the fee for the second period will be refunded.

INLAND CASH ON DELIVERY SERVICE.

Under this service, which will apply to everything transmissible by Parcel Post, the value of a Parcel will, up to a maximum of £40, be collected from the addressee by the Post Office and remitted immediately to the sender by means of a special Order. Parcels, ordinary or registered, may be posted C.O.D. at any Money Order Post Office. Parcels not exceeding £10 in value will be delivered at any address in Great Britain and Northern Ireland (including the Channel Islands and the Isle of Man) upon payment by the addressee to the postman of the amount to be collected; for those which exceed £10 in value the addressee will be required to pay the amount to be collected at the Post Office indicated upon an advice note which will be sent to him. The service does not apply to the Irish Free State in either direction.

The C.O.D. fees, which are additional to the ordinary parcel postage, vary according to the amount to be collected (Trade Charge), and are fixed on the following scale :—

Trade Charge not exceeding	Fee.
10s.	4d.
£1	6d.
£2	8d.
£5	10d.
£10	1s.

and 2d for each additional £5 or fraction of £5 up to the maximum of £40.

The sender will be required to write on an adhesive address label—supplied free on demand—or on the cover of the parcel :—

- (1) The name and address of the addressee ;
- (2) His own name and address ;
- (3) The amount of the Trade Charge ;

and to fill up the special Trade Charge Form which will be handed to him.

The ordinary postage must be prepaid by means of a stamp or stamps affixed to the parcel (or address label). The C.O.D. fee must be prepaid by a postage stamp or stamps affixed to the counterfoil of the Trade Charge Form.

A certificate of posting will be given if desired as in the case of an ordinary parcel.

The Trade Charge will be remitted to the sender of the parcel by means of a "crossed" Order, similar to a Money Order. This Order will not be negotiable and will normally be paid into the payee's banking account; but special arrangements will be made for payees who have no banking account to receive the money in cash from the Post Office, subject to proof of identity.

The Post Office accepts the same responsibility for a C.O.D. parcel as for an ordinary parcel, registered or unregistered as the case may be. For a Trade Charge Order its responsibility is the same as for a Money Order.

DEADLY—yet harmless.

This sounds impossible, yet it is quite correct when applied to STRATHMORE WEED KILLER is deadly to all plant life but harmless to animals. All over this country, and abroad also, many are using this preparation with great success, and with a minimum of trouble to KEEP THEIR PATHS AND YARDS CLEAN who would otherwise use no Weed Killer at all. In fact many are using STRATHMORE WEED KILLER and recommending it to others owing to it being non-poisonous.

STRATHMORE WEED KILLER Harmless to Animals

E.C., Beckenham, Kent, writes:—*Please send a tin of your Weed Killer, for which I enclose P.O. It is the best Weed Killer I have ever used.*

DEADLY—yet harmless.

This remark—strange as it may sound—also applies to STRATHMORE WORM KILLER. If applied according to directions it certainly kills worms on lawns, etc., and yet it is quite harmless to the user or animals. For a trifling sum you may be saved all the annoyance of worms on your lawn by getting some STRATHMORE WORM KILLER.

A Perthshire Bowling Club Secy. writes:—*I hereby enclose payment of Worm Killer. I may say we got excellent results from STRATHMORE WORM KILLER.*
